**MEDFORD, MA** — U.S. Representative Edward J. Markey (D-Malden), a senior member of the House Energy and Commerce Committee, will be holding a press conference on Friday, September 2, 2005 at 9:30 AM to blast the Bush Administration for an ineffective energy policy. Rep. Markey today will discuss his plan to create a federal gasoline anti-profiteering task force to insure that consumers are not of price-gouging at gasoline stations.
